**CAUTION:**  
This is not a gentle word—but when you think how liable you are not to purchase the only remedy universally known and a remedy that has had the largest sale of any medicine in the world since 1868 for the cure and treatment of Consumption and Throat and Lung troubles without losing its popularity all these years, you will be thankful that we called your attention to Boscho's German Syrup. There are so many ordinary cough remedies made by druggists and others that are cheap and good for light colds, but for severe Coughs, Bronchitis, Croup—and especially for Consumption, where there is difficult expectoration and coughing during the nights and mornings, there is nothing like German Syrup. The 35¢ size has just been introduced this year. Regular size 75 cents. At Henry W. May's, next door to Postoffice.

## Republican Convention!

## BELKNAP AND VICTORY!

## Splendid Ticket for State Officers Nominated at Louisville.

## Unbounded Enthusiasm—Ringing Platform Adopted—Harmony All Along the Line.

The Republicans at Louisville completed their nominations and present to the voters of the state the following admirable ticket—

For Governor—Morris B. Belknap of Louisville.  
For Lieutenant-Governor—J. B. Wilhoit of Ashland.  
For Treasurer—John A. Black of Barbourville.  
For Auditor—George W. Welsh of Danville.  
For Attorney General—W. M. Beckner of Winchester.  
For Secretary of State—J. C. Speight of Mayfield.  
For Superintendent of Public Instruction—Livingston McCartney of Henderson county.  
For Commissioner of Agriculture—George Baker of Muhlenberg county.  
For Clerk of the Court of Appeals—J. H. Newman of Kenton county.

At the instance of Governor Bradley the Convention on the previous day adopted a resolution endorsing the National Administration, and favoring the re-election of President Roosevelt in 1904.

Just previous to the nominations a ringing platform was adopted, that part referring to state issues being as follows—

The Republicans of Kentucky, in convention assembled, make the following declarations:

1. We declare for the right of every qualified citizen to a free ballot and a fair count, and the right of voters to an honest and orderly election in every Precinct in this state, and to secure these rights and the restoration of political and legal equality we pledge ourselves to the enactment of such laws as will restore absolute electoral freedom.  
2. We denounce the odious political machine rule now dominant in Kentucky, which destroys freedom, fetters enterprise, excludes capital, handicaps industry, discourages education and enables self-perpetuating bodies of political adventurers to control public affairs for private benefit, and encourages and protects abuse, contempt and bold violation of law. We appeal for an aroused public sentiment among all ranks of citizenship against continuation of these evils.

3. We condemn the reign of Democratic party hate and proscription, following the destruction, under forms of law, of political liberty and equality, and especially deplore the fact that, in this day of machine domination, the Courts of the state are appealed to and have become too often the theater for the display of Democratic partizan activity and for the upholding of political wrong and outrage.

4. We denounce assassination and lawlessness, whether in Serbia or Kentucky, as destructive of civilization, and call upon the enlightened intelligence of the state, through its legislative, executive and judicial agencies, to employ remedies to re-establish order and punish crime within our borders. We especially arraign the State Chief Executive for so exercising the pardoning power as to subvert political and partizan purposes, with the certain effect of encouraging crime by virtually rendering criminals of Democratic political faith immune from punishment.

5. We condemn the present administration in Kentucky for incompetency and grave impropriety in the conduct of public affairs; for preying upon and misappropriating public moneys; for laying tribute upon the legal pay of soldiers enlisted in the country's service; for the paying of unnecessary, unjust, exorbitant and illegal attorneys' fees, and we now demand such changes in the laws as will secure the state against similar wrongs in the future.

6. The present state administration has increased taxation of the people without corresponding increase in public benefits, and we believe and declare that the rate of taxation could be reduced to forty-five cents, and that the revenue so produced on present property valuations will be adequate for all purposes of our government economically administered, and in addition a surplus therefrom could be accumulated in four years to build and pay for a State house suitable for public uses and commensurate with the dignity and wealth of the Commonwealth.

7. We denounce the present system of management of the charitable and penal institutions of the state as being obsolete, inhuman and a reproach to our civilization. We condemn the carelessness and cruelty shown to have been repeatedly practiced in our asylums and demand the passage of laws that will place these institutions under nonpartisan management by which our helpless wards can be and will be protected against inhumanity and negligence and their condition improved by the substitution of trained and capable Superintendents and assistants for the brutal, inexperienced and incompetent employees appointed to their places as political reward.

8. We appeal to the united good citizenship of the state to aid us in re-establishing Kentucky, a Kentucky awakened, progressive and seeking the highest prosperity. Her commanding situation, her waterways, her resources and facilities for agriculture, manufacturing, mining and commerce demand wise laws, incorruptible and impartial Courts and competent and fearless executive officers.

9. The Republicans now seek the co-operation and support of all good citizens irrespective of past party connections, and pledge themselves in entering this campaign to restore to the state respect for law, the enforcement of law, honest and economical government should the people, by their votes, commit power to them.

Throughout the entire Convention the enthusiasm for ex-Governor Bradley showed plainly that he was the most popular Republican in the state, and even against his earnest protests he received nearly 400 votes for the nomination.

When the balloting closed Governor Bradley and Judge Pratt escorted Colonel Belknap to the stage, who accepted the nomination in a business-like address.

With such a ticket as that nominated by the Republicans, everything bids fair for a radical change in the administration of affairs in Kentucky—a consummation most devoutly wished for.

## FALL IN VEGETABLES.

**Dr. John A. Reed's Horse Mixed it Up With Them Yesterday.**

Yesterday afternoon Dr. John A. Reed left his horse and buggy standing while he entered a residence in West Fourth street to visit a patient.

A man trimming a tree nearby threw the branches to the ground.

The animal took fright and started down the pike at a Maud S. gait.

Rounding the corner at Market and veering over to the pavement the horse and buggy came in contact with a telephone pole, upsetting the whole push.

The horse quickly regained its footing and started in a beeline for Lovel's corner and the wreck and havoc it created in the Colonel's Friday market display of vegetables was a sight to see.

The strangest part of all is that nobody was hurt—usually that part of Market is full of children.

The Doctor informs us the horse and buggy was not injured a particle.

## Very Remarkable Cure of Diarrhoea.

"About 6 years ago for the first time in my life I had a sudden and severe attack of diarrhoea," says Mrs. Alice Miller of Morgan, Texas. "I got temporary relief, but it came back again and again, and for six long years I have suffered more misery and agony than I can tell. It was worse than death. My husband spent hundreds of dollars for physicians' prescriptions and treatment without avail. Finally we moved to Bosque county, our present home, and one day I happened to see an advertisement of Chamberlain's Colic, Cholera and Diarrhoea Remedy with a testimonial of a man who had been cured by it. The case was so similar to my own that I concluded to try the remedy. The result was wonderful. I could hardly realize that I was well again, or believe it could be so after having suffered so long, but that one bottle of medicine, costing but a few cents, cured me." For sale by J. Jas. Wood & Son, Druggists.

## The Deadly Trail

Of disease is often the trail marked by a woman's gown. A recent investigation showed a horde of microbes, including those of influenza, consumption and a dozen other varieties, gathered in the trail of a woman's dress.

The microbe is everywhere, but its prey are the weak and feeble people whose blood is "poor" and digestion "weak." Dr. Pierce's Golden Medical Discovery cures diseases of the stomach and other organs of digestion and nutrition and purifies the blood.

It strengthens the body by increased nutrition to resist or throw off disease.

"I once accept my thanks for the good Dr. Pierce's Golden Medical Discovery has done for me," writes Mrs. N. Chesley of Cleveland, Ohio. "I was troubled for over a year with what the doctor pronounced indigestion. I had nervous headaches, an unpleasant taste in my mouth in the morning, and my blood was very poor. I tried different medicines but to no avail. My parents insisted on my taking Dr. Pierce's Golden Medical Discovery. I did so; am now on the fourth bottle and feel stronger than I have for ten years. I cannot speak too highly in its favor."

Dr. Pierce's Pleasant Pellets are easy and pleasant to take. A most effective laxative. They do not bet the pill habit.

## WE HAVE

This day disposed of our drygoods business to Messrs. D. Hunt & Son, after a business career of 84 years, and take this opportunity of thanking our customers for their generous patronage, whose kindly associations will be long remembered by us. Some of you have been our customers through three generations. It is a source of regret to us to break these ties. Through the generosity of the Messrs. Hunt we will have our office at the old stand until August 1st, where settlements of accounts can be made. After that date all accounts will be placed in the hands of a collector. We bespeak for the new firm a generous share of your patronage. Very respectfully,

## GEORGE COX & SON.

## CLOTHING TALK!

There is something about the Hart, Schaffner & Marx Clothing by which you may identify them even more certainly than the label. It goes into them before the label. It is a style, a quality, a tailored-by-hand touch to them, a harmony of fabrics, trimmings, etc., a thoroughbred look about them never found in other clothing. The fact that we can't define it doesn't make it any less real. You can see it without fully realizing what it is. We can't show it or tell you fully about it until you wear the clothes. Then we won't need to. This incomparable line is for men and confined to us.

But we have provided as well for the boys and children. We invite inspection and comparison of both goods and prices.

OUR MERCHANT TAILORING DEPARTMENT, under the supervision of Mr. Charles F. McNamara, is the only one in the city paying Union prices and having all work done at home. Ask to see one of our made-to-measure Suits. You can get them cheaper elsewhere, but not like ours.

Let us show you our new Shirts, new Hats, new Neckwear, etc., etc.

## YOUR KIDNEYS ARE THEY WELL?

Unless they are, good health is impossible.

Every drop of blood in the body passes through and is filtered by healthy kidneys every three minutes. Sound kidneys strain out the impurities from the blood, diseased kidneys do not, hence you are sick. FOLEY'S KIDNEY CURE makes the kidneys well so they will eliminate the poisons from the blood. It removes the cause of the many diseases resulting from disordered kidneys which have allowed your whole system to become poisoned.

Rheumatism, Bad Blood, Gout, Gravel, Dropsy, Inflammation of the Bladder, Diabetes and Bright's Disease, and many others, are all due to disordered kidneys. A simple test for Kidney disease is to set aside your urine in a bottle or glass for twenty-four hours. If there is a sediment or a cloudy appearance, it indicates that your kidneys are diseased, and unless something is done they become more and more affected until Bright's Disease or Diabetes develops.

FOLEY'S KIDNEY CURE is the only preparation which will positively cure all forms of Kidney and Bladder troubles, and cure you permanently. It is a safe remedy and certain in results.

If You are a sufferer, take FOLEY'S KIDNEY CURE at once. It will make you well.

### Some Pronounced Incurable

Mr. G. A. Stillson, a merchant of Tampico, Ill., writes: "FOLEY'S KIDNEY CURE is meeting with wonderful success. It has cured some cases here that physicians pronounced incurable. I myself am able to testify to its merits. My face today is a living picture of health and FOLEY'S KIDNEY CURE has made it such."

### Had Lumbago and Kidney Trouble

Edward Huss, a well known business man of Salisbury, Mo., writes: "I wish to say for the benefit of others, that I was a sufferer from lumbago and kidney trouble, and all the remedies I took gave me no relief. I began to take FOLEY'S KIDNEY CURE, and after the use of three bottles I am cured."

Two Sizes, 50 Cents and \$1.00.

**A Couple of Ladies Have a Close Call Last Evening.**

There came near being a serious accident last evening at the railroad crossing of the C. and O. at Third and Wood streets.

Mrs. Holt Richeson and Miss Lida Richeson were returning home from the residence of Mr. J. James Wood, and when about to pass over the crossing at this point a train on the siding backed up, striking one of the ladies on the arm and knocking the other to the ground.

Further than a bruised arm and a severe shock, they escaped injury, much to the gratification of their host of friends.

**A Wife and Mother**

Should not be exposed to the schemes of self-styled financiers. So think a great many men who, instead of leaving their insurance in bulk to their widows, have counseled with The Mutual Life Insurance Company of New York, and adopted a course, which has eventuated in something like the plan of the late

Archibald N. Waterhouse, of Philadelphia, who died suddenly last Friday and who held policies amounting to \$80,000 in The Mutual Life Insurance Company of New York. The so selected that his widow will receive at once \$20,000 in cash and an annual income of \$8,000 for twenty years, and if she is living at the end of that period she will receive \$80,000 in cash, making the total amount received under these policies \$140,000, on which the premiums paid by Mr. Waterhouse amounted to only \$27,492.50.

(From Philadelphia Record, Nov. 17, 1902.)

In writing for terms on similar policies, state what you would like to receive in cash at the end of the limited payment period, amount you would like your beneficiary to receive in event of your death, and give your age.
